RAW MATERIALS

Multi Layer Plastic Waste (MLP)

Aseptic Beverage Carton

Poly Al Waste

Mix Plastic Waste

Collapsible Tubes

Mill Plastic Waste

APPLICATIONS

Bench

Shuttering & Formwork

Door

Seating & Backrest (for Rikshaw)

Industrial Pallets

RECYCLING PLANT

ECO FRIENDLY TECHNOLOGY

ZERO:

Water Effluent | Solid Waste | Gas Emissions

PRODUCTS

Water Resistant Boards
Made from packaging waste materials

100% Water Proof Boards
Made from multi-layer packaging waste

100% Waterproof Composite Boards
Made from Flexible Packaging & Collapsible tubes

Garbage Bin

Road Modules
